

WISHLIST

The COVID-19 Pandemic has affected every aspect of life at New Star. As a result of the temporary closure of our Community Day Services program, we are caring for more than 130 individuals 24-hours a day in our 23 residential homes. As a result, we have a new ongoing need for a variety of supplies listed below.

If you are able to purchase, or donate in good condition, any of the items on our Wish List, please contact Pat Trebe, Director of Development/Community Relations, at ptrebe@newstarservices.org or (708) 888-7418 to coordinate pick-up.
